PRIMARY EXAMINER

### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: In regard to claim 1, the prior art fails to provide, teach or suggest at least one of the as-claimed wall portions is at least partially curved and adapted for guiding at least one cable of one or more other cable connector assemblies , wherein the cable connector assembly comprises means for reducing movement and/or assisting guidance of the at least one cable of the one or more other cable connector assemblies. In regard to claim 8, the prior art fails to provide, teach or suggest the as-claimed cable connector system comprises further cable connector assemblies having further cables, the at least partially curved wall portion of the as-claimed first connector assembly guiding at least some of the further cables. In regard to claim 12, the prior art fails to provide, teach or suggest wherein a first one of the wall portions is at least partially curved and adapted for guiding a second cable of another cable connector assembly on the first wall portion, and wherein the cable connector assembly comprises a cable movement guide proximate the first wall portion for reducing movement and/or assisting guidance of the second cable against the first wall portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
